

CHECKLIST

PREPARE YOUR TRIP TO ZAMAMI VILLAGE

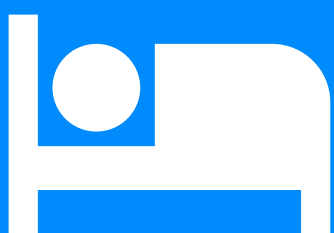

BOOK YOUR BOAT TICKET

While boat tickets can be purchased on the day at the counter, we recommend booking in advance. For phone bookings: Naha Ticket Office at 098-987-4567, 10am to 5pm (English available). For online bookings, scan the QR code.

BOOK AN ACTIVITY

Activities on the island include SUP, kayaking, diving, and more. For these, you will need to join a tour. It is highly recommended to book ahead (see QR code). Snorkeling is doable on your own at designated beaches.

BOOK YOUR ACCOMMODATION

Day trips from Naha can be fun, but staying overnight allows you to enjoy the sunset and dine at local izakayas. You have 2 options for accommodation: booking websites or checking the accommodation list on our website.

CHECK THE WEATHER

In Zamami, most activities are outdoors. Heavy rains can make your island experience less enjoyable, and boats may be canceled due to strong winds. Boat cancellation decisions are made just before 8 am each day.

BRING THE ESSENTIALS

We have small shops on the island, but some items are difficult to find. Bring your swimsuit, meds, and electronics (chargers...). Snorkel gear can be rented only. ATMs are located at Aka and Zamami Post Offices. However, they close early, so it is best to have cash with you.
